

KINGDOM ROOM NOVEMBER NEWSLETTER

November 2009

SOME FRIENDLY REMINDERS.....LABEL YOUR CHILD'S CLOTHING.....Please ensure your child has extra clothing here at daycare either in their baskets or in a bag on their hooks.

Winter is quickly approaching....Your child needs a hat, mittens and boots when necessary. The evenings are quite cool on the playground. Remember, we are outside for an hour everyday in the morning and afternoon so please ensure your child is dressed according to the weather conditions. Thank you

SPECIAL INTERESTS IN THE KINDOM ROOM IN OCTOBER....

Diwali celebrations were a great hit making pink, scented play dough into candles. The children learned how Diwali is celebrated by our Hindu friends through this experience and through stories on the origin of Diwali.

We had a hip hop dancercize performance where the Kingdom room children made up a dance and got their "goove on". We learned some cool new dance steps.

Our annual Halloween Costume Party was a great success as always. While there was excitement in the air. The children enjoyed dancing and treats and a special Halloween Treat bag was given to all the children in the KINGDOM room

UPCOMING EVENTS IN THE KINGDOM ROOM

December holiday CLOSURES at PCH

PCH closes at 12 noon on DEC.24 and Re-opens on

As you may have heard, the POLAR BEARS have been reading the chapter book James and the Giant Peach. We read a few chapters from the book daily and hold discussions about what has happened. To further extend our learning, we drew pictures about our favourite moments in the book. And talk about what choices James and his friends have made and the reasons behind them. As an extension of this experience we would like to offer the children the chance to watch the movie on DVD. This will be happening in November. Please watch for upcoming dates on the dry erase board on the door of our classroom.
