FAMILY HOLIDAY PARTY

We have re-scheduled our family holiday party for January 14th from 3:30 to 5:30. There will be light refreshments provided by Real Foods for Real Kids and each program will host special activities along with a presentation. We hope to see you all there!

Goodbyes and Welcomes

THE SWEET PEA ROOM WOULD LIKE TO SAY "GOODBYE!!!" TO THEIR FRIEND WILLIAM AND WISH HIM ALL THE BEST!

THE SWEET PEAS WOULD ALSO LIKE TO WELCOME NOA LEANN TO THEIR ROOM.

THE DRAGONS DEN WOULD LIKE TO SAY "GOODBYE!!!" TO THEIR GOOD FRIEND ANNE WHO WILL BE MISSED GREATLY!

Dear Kingdom Room Families,

We would like to share with you an exciting new change that we will be implementing in the new year. Starting January 3rd, 2011, children who do not sleep will have the opportunity to participate in alternate activities in the All Star Room. The children who will have this opportunity will be those who are starting JK in September 2011, as this time will be dedicated to programming based on a higher age level. The activities will be based on their needs and interests, and will include teacher-directed activities to enhance learning and development.

This is how it will work:

All children will be given a 45 minute period to rest on their beds. At 1:00pm, one staff will take those who are still awake to the All Star Room. The group will be a maximum of 8 children. They will have the opportunity to stay in the All Star Room for a period of one hour to one hour and a half.

Please speak with any of the Kingdom Teachers if you have any further questions or concerns.

Sincerely,
Kingdom Room Staff
